POS Terminal PT-5710

The fanless POS Solution

The PT-5710, with its 15" integrated TFT touch screen, is the entry-level model of the Partner Tech 15" POS terminal range. The latest technology ensures a high processing performance and elegant design.

The model is equipped with a top-rated and energy-efficient VIA Eden CPU, while the compact construction of the PT-5710 POS makes it particularly space saving, and can be installed in the smallest spaces.

A real advantage is that it consists of no moving parts, which is another reason for the extreme reliability and low maintenance requirements of the PT-5710. This has a positive effect on longterm costs. It is also practical, as the flexible monitor can be adjusted to meet the requirements of any workplace.

Special Features:

- VIA Eden CPU
- 5-wire resistive touch
- Fanless
- Low energy consumption
- Adjustable Monitor
- External Power Supply

Options:

- MSR (PS/2), Rear Display, 2nd LCD 15" Display, Fingerprint, I-Button, KB-32 Keyboard, RFID, Dallas Lock, Addimat Lock
